

## AJE-ICARO 2 BLACK IP44

Decorative wall fixture

Product type	Wall lamps
Power Consumption (On)	12 W
Type of lighting	LED
Light color	White neutral
Temperature of the colour	4000 K
Type of power supply	Network
Certificates and sealing classes	IP44
Main color	Black
Height	50 mm
Power of light stream	750 lm
Width	500 mm
Application	Inside the building
Energy class	A+ +
Type	LED
Number of diodes	24
Type	Decorative
Application	Not applicable
Thread type	Not applicable
Degree of protection	IP44
Input voltage	220 - 240 V
Additional information	Number of on/off cycles: 30 000
Additional information	Diameter of the lamp: 5 cm
Depth	130 mm
Weight	900 g
Additional information	Possibility of changing the lighting angle
Application	Not applicable
Type	Decorative LED
