Fixpoint

Crimping tool for modular plugs

incl. wire cutter and stripping tool

- exact crimping process due to parallel crimping
- repetitive, high crimping quality due to integral lock (self releasing mechanism)
- optimum transmission of force due to lever action for fatigue reduced operation
- with length cutter and dismantling knife for ribbon cables 6 and 12 mm length
- for cutting and stripping unshielded ribbon telephone cables
- for crimping 4-, 6-, 8-pole western plugs type RJ 10; RJ 11/12; RJ 45.
- head burnished
