

Lyra

PL

Oprawa zwieszana. Lampy wyladowcze lub halogenowe. Transformatory elektroniczne. Obudowa z profilu aluminiowego. Odbłyśniki aluminiowe lub lampy zintegrowane z odbłyśnikiem. Zwieszaki i przewody zasilające zamawiane oddzielnie. Pojedyncze oprawy oświetlenia biur i obiektów użyteczności publicznej, nie przewidziane do łączenia w linię.

GB

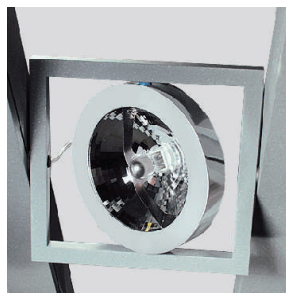

Pendant luminaire. HID or halogen lamps. Electronic transformers. Housing of aluminium extrusion. Aluminium or lamp integrated reflectors on gimbals. Adjustable light beam direction. Suspensions and feeding cable not included. General and accent lighting for offices and public facilities. Independent luminaires, not suitable for continuous lighting.

D

Pendelleuchte. Entladungslampen oder Halogenlampen. EVG oder VVG. Elektronischer Trafo. Gehäuse aus Aluminiumprofil. Reflektor aus Aluminium oder Lampen mit integriertem Reflektor. Abhängungen und Zuleitung sind separat zu bestellen. Komplette Leuchte für Bürobeleuchtung und öffentliche Objekte. Nicht zum Strukturbau geeignet.

S

Individuell spotlightarmatur. Ej förberedd för rampmontage. Stommen är av strängpressad aluminium, vår patenterade AL2000-profil. Halospottar är tillverkade av pressgjuten aluminium. Optiska element möjliggör ett stort urval av olika ljusfördelningar. Den justerbara optiken ger en oändlig kombination av ljussättningar och accenter. Anslutningskabel och upphäng beställs separat.
